NEW JUNIOR BLOCK CELEBRATION

PRINCIPAL'S MESSAGE

Kia ora

Last Friday, the Junior Block was formally opened with a ceremony that included our two Kapa Haka groups performing, a blessing and walk-through, as well as the cutting of ribbon and a cake. I would like to thank all of the people who worked hard to ensure that this was such a success. It was a very special occasion for all involved and I was certainly filled with pride in our students and our school.

As you will all be aware, Candice Booyens will be taking Maternity Leave from Week 3, Term 2. Belinda Collins and Shannon Te Huna have been employed and will be team teaching in this position until the end of the year. Also starting in Term 2 is a special MOE funded intervention project called Accelerated Learning in Maths (ALiM). This will be run by Sara Carr and Desiree Wispinski, who also ran this in 2016 and was very successful. This resulted in the students who were involved making large gains in their mathematical confidence and abilities. Jen Stevenson will be releasing Desiree to undertake this within the Middle School and parents of students from Rooms 4 and 5 have been notified as to how this is structured. As an aspect of Sara Carr's position at school is running intervention programmes, this will be undertaken in the specific interventions hours she is already released for.

I would like to remind you all that next Thursday is a Mufti-Day and Sausage Sizzle. Students have been asked to bring a non-perishable grocery item that will be able to be used for raffles etc for the school fair later in the year.

Hei kona mai i roto i ngā mihi, Goodbye for now and thanks.

2017 International Competitions and Assessments for Schools (ICAS)

For over 20 years ICAS has taken place each year in schools throughout Australia, New Zealand, Singapore, Malaysia, Brunei, the Pacific region and South Africa.

Children in Year 4-6 are invited to take part. ICAS provides an opportunity for all Years 4-13 children to gain a measure of their own achievement in an external testing situation. It is a good tool for children performing in the top of their field to get a picture how they compare nationally.

The entry fee per student is \$9.50 per subject, or all three for \$28.50. Permission slips went home with all Year 4-6 children last week.

For more information visit www.eaa.unsw.edu.au (past tests can be purchased here if you would like practice ones or a limited amount are available just ask at the school office).

Please return the permission slip by next Thursday, 13 April.

WE STAND FOR BETTER FUNDING BETTER LEARNING

NZEI PPIA Et&U BETTERFUNDING.ORG.NZ #BETTERFUNDING

Currently, Government Funds to schools by way of the Operational Grant have been frozen. This affects our school in so many ways, primarily however in regards to the hours and conditions for our Support Staff being our Teacher Aides and Office Manager. To help show the Government you care about what happens to our staff, and your children, there is a petition on the coffee table in the office reception area which we would appreciate your signature on. We want to ensure that we don't have to continue making cuts where it actually counts the most, and to ensure Support Staff are paid fairly and have secure work. Thank you for your support on this very important matter.
