# PRINCIPAL'S MESSAGE

## Kia ora koutou

It has been wonderful seeing the number of children and their whanau arriving and departing from school in a variety of different ways this week. The annual Walk'n'Wheels Week is a great opportunity to highlight the importance of Active Transport. I would encourage families to look at ways of incorporating this into their normal weekly routines as it is not only important for their fitness, but it also builds independence and is fantastic for the environment. I would like to thank all of our teachers, student teachers and support staff who were involved in the planned walk to school yesterday, as well as the parents who joined us as well.

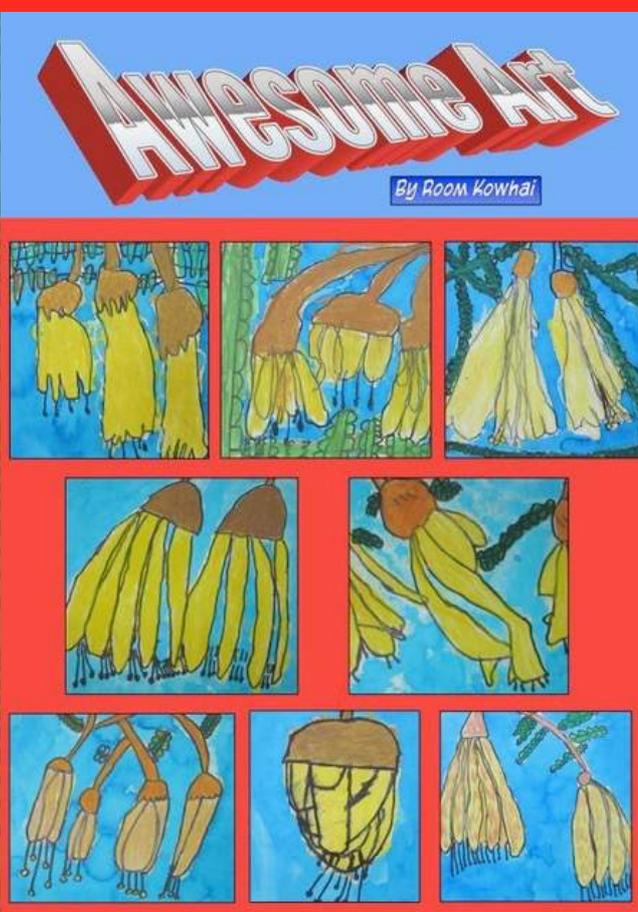

Our **new website** is scheduled to go live this afternoon! This can be found at [www.grantsbraes.school.nz](http://www.grantsbraes.school.nz) and I hope you all check it out.

The new payments site 'Kindo' has proven to be very popular with payments being made for uniform items, school activity fees and donations, and also this week's PTA sausage sizzle. The exciting aspect for this is the ease now for the PTA to run the sausage sizzles as there is no counting of money and a spreadsheet/list is easily generated from Kindo of the children's orders for each classroom. If you haven't delved into this system yet, I can assure you it is a very simple process and any issues can be quickly solved by contacting the 'Kindo' help desk - 0508 4 KINDO (0508 454636).

Until the end of the school term, all students are going to be involved in enrichment activities on Friday afternoons. This is a wonderful opportunity for children to work within a group which has all year levels within it. The enrichment activities will be run by teachers, and these are based around their own personal strengths or passions. Students were given three choices for their preferred option and they have been placed into one of these groups accordingly. Jess McAuley worked hard to organise all of the tamariki and I know they are going to really enjoy this valuable opportunity.

Hei kona mai I roto I ngā mihi, Goodbye for now and thanks.

GARETH TAYLOR, PRINCIPAL

The Middle School are now called Ngāhere which is the Māori name for bush or forest. In Ngāhere we have four new room names of tall native New Zealand trees including Tawa, Matai, Kowhai and Rata. To celebrate our new names, the Year 2 classes produced some colourful art pieces of the Kowhai and Rata flowers.

Following a few inquiries from parents in regard to the security around this system, this is to advise that our Board Treasurer, on behalf of the School Board, last year investigated extensively the various options available to us for a school payments system, and Kindo was the one that was best suited to us, and also met the criteria around security for both parents, and us as a school.

You can be assured that all invoicing goes directly from the Kindo system to our school and details all transactions and payments due, without human intervention. Matching files are created for upload into our company accounting software which generates bank files to ensure payments go through correctly. These can then be easily matched to the payments received by the school. Kindo maintains separate bank accounts for all top-up types (A2A, POLi, Credit Card, AMEX, internet banking) which are regularly reconciled and only accessed when making payments to schools. Payments happen weekly or daily to minimise exposure.

Click on the following link to Kindo's knowledge base providing further details regarding security.

[Are my details secure?](#)

Our two payment providers are DPS Payment Express (card and Account2Account payments) and POLi, and both offer excellent security over their transactions (which is why Kindo hand over to them for topping up accounts).

More information about **Payment Express security** can be found here...

<https://www.paymentexpress.com/security>.

Payment Express is a secure outsourced partner to all major merchant banks in Australasia, trusted with hundreds of millions of transactions annually. Important points:

- All data is SSL encrypted with the Payment Express secure environment providing the same level of encryption security as any online banking portal
- Payment Express does not keep any record of your personal information during this transactional process, it is handled directly with your banking provider
- Payment Express does not have access to your personal information at any stage during the transaction process
- No third-party software is downloaded to your computer
- The same level of security applies to the millions of credit card transactions processed by Payment Express everyday

More information about **POLi security** can be found here... <https://www.polipayments.com/buy> where it states "...POLi does not store any sensitive information such as internet banking usernames and passwords. During a POLi transaction no one can access or see your internet banking login credentials. All communication via POLi takes place using HTTPS transport level security and no sensitive information is stored (not even cached)."

NOTE: Your mykindo account may also be topped up via standard banking options, including internet banking. See [How do I pay?](#)

# PTA NEWS

Firstly, I would like to introduce myself as the newly elected President of the Grant's Braes School PTA. My husband Chris and I have two boys, Andre aged 11 and at Tahuna Intermediate School, and Taylor aged 9 in Toroa. I am a Physiotherapist and work at the Southern District Health Board.

I am excited to be working with the newly elected PTA Executive of Chris Crooks (Vice-President), Sarah Watts (Secretary), Trudie Evans (Treasurer), Jen Stevenson and Nicola Thompson, with much appreciated support from Gareth. The role of the Executive is to provide strategic oversight of the many fundraising endeavours of the PTA to ensure that we are meeting the aims of the PTA for the benefit of our children and school community.

As a parent or caregiver of any of our wonderful Grant's Braes School children, you are automatically a member of the PTA. Your contribution to our PTA's fundraising efforts is for the benefit of our children's education. From selling raffles to helping with cooking sausages on a Friday, your help is always very much appreciated. However, with the nature of children growing up and moving on from Grant's Braes School, we are always ready to welcome new offers of help from parents and caregivers. So..... if you love the smell of sausages or are really handy at wrapping up gift baskets, we will definitely find a role for you that suits your talents!! Please look out for the PTA meeting dates in the newsletter and come along. Or you can contact our Secretary, Sarah, with any offers of help or if you would like to be added to our e-mail list for updates ([sjwyllie@hotmail.com](mailto:sjwyllie@hotmail.com)).

We also have a PTA Facebook page which you are able to 'request to join' and this is updated regularly outlining what the PTA has on.

Based on previous years success, we are again selling Entertainment Books and Hot Cross Buns in term 1. We are also in the final stages of confirming arrangements to have a stall to sell our famous bacon butties for the Sunday 'Ed Sheeran concert' (1 April). If you can help anytime that evening, please contact Steph Woodley ([brettandsteph@extra.co.nz](mailto:brettandsteph@extra.co.nz)).

## 2018 International Competitions and Assessments for Schools (ICAS)

For over 20 years ICAS has taken place each year in schools throughout Australia, New Zealand, Singapore, Malaysia, Brunei, the Pacific region and South Africa.

Children in Year 4-6 are invited to take part. ICAS provides an opportunity for all Years 4-13 children to gain a measure of their own achievement in an external testing situation. It is a good tool for children performing in the top of their field to get a picture how they compare nationally.

The entry fee per student is \$9.50 per subject, or all three for \$28.50. Permission slips went home with all Year 4-6 children on Tuesday.

For more information visit [www.eaa.unsw.edu.au](http://www.eaa.unsw.edu.au) (past tests can be purchased here if you would like practice ones or a limited amount are available just ask at the school office).

Please return the permission slip by Friday, 13 April 2018.

## PTA UPDATE

**Arista Bakery Hot Cross Bun Fundraiser** - Information and order forms went home on Monday for this - orders with cash (if not banking direct into the PTA Bank account) to be in by **9am, Friday 23 March**.

**The Entertainment Book Fundraiser** is also happening again this year, and an order sheet with the Early Bird deals, along with additional information, went home to families on Monday also.

**Sausage Sizzles and Mufti Days** - The next one is scheduled for Friday, 13 April (the last day for Term One).

### WEETBIX TRYATHLON

We are looking forward to seeing all the children who have entered the Weetbix Tryathlon this year out at Memorial Park in Mosgiel this Sunday!

If you haven't been before, make sure you allow plenty of time to get to the park as there are hundreds of kids participating and you often need to park quite a long way away.

When you arrive look out for the **Grant's Braes School gazebo**. This will be our base for the morning. Feel free to bring picnic blankets/chairs etc to sit on.

When the triathlon is over, they call all the school groups over to get a special school photo - so please plan to hang around for that and the prize giving which is usually about 12:15pm.

Rebecca McKeever
